

WHAT KIND OF PATIENT ARE YOU?

WHAT YOUR SCORE MEANS

0–7

You're the perfect patient and you'd be a pleasure to look after. You've got nothing to worry about.

8-13

You're not really a difficult patient but you could do with a bit more tact and common sense.

14-20

You're a doctor's nightmare! You'd be a nuisance to nurses either at home or in hospital. It's high time you changed your ways!
